

Ring Sizer (US sizes)

Print this document and take the following steps:

- Cut out the ring sizer along the dotted line.
- Cut along the dotted line next to the arrow that is labeled “your ring size” to create a slot
- Forming a circle, insert the end of the ring sizer into the slot
- Place the ring sizer around the appropriate finger and wrap comfortably around finger and read your ring size

MEASURE CURRENT RING

- Select a ring that properly fits the intended finger
- Place the ring over the circles, matching the inside edge of the ring to the circle nearest in size. This measurement refers to the inside diameter of the ring
- If the ring falls between two sizes, order the larger size
